Disclosure: The Actual Portfolio data shown represents a typical portfolio that NIS believes to be representative of the NIS SRI Intermediate Fixed Income strategy. The strategy includes actively-managed, fully-discretionary fixed income portfolios with an intermediate duration. The Bloomberg Intermediate US Government/Credit Index is comprised of all outstanding U.S. Treasury and Agency issues and investment grade credit bonds greater than one year, but less than ten years in maturity. Comparative data was provided by or compiled based on information gathered from Bloomberg, which is a third party source. Although we believe this source is reliable, we have not independently verified any such information and make no representations or warranties as to the accuracy, timeliness or completeness of such information. All investments are subject to a risk of loss.
